

## Ensembles

CHSM Students have the option of participating in an ensemble with violin, viola, cello, bass, drums, guitar, piano, or voice. Classes range from 3 to 12 students and meet once per week with an instructor. New members are encouraged to apply at the beginning of the school year. Once enrolled, an instructor evaluation may be required to determine placement. A minimum number of students with compatible schedule availability will be required to begin classes.

### ***The CHSM Strings Troupe led by Bryan Tyler***

CHSM String Troupe is designed for students who have complete group violin classes at CHS. This ensemble is recommended for students that currently study from Suzuki book 1 or an equivalent method. Through fun repertoire, students will develop greater confidence with reading music, rhythm, and the different roles played in ensembles. Reading music will be required, though time will be offered in class to help students label their parts. Music will need to be reviewed during practice at home and in private lessons. String Troupe will perform regularly at school assemblies. For more information, please contact [btyler@tchs.org](mailto:btyler@tchs.org).

### ***The CHSM String Ensemble led by Bryan Tyler***

CHSM String Ensemble is the most advanced level of string ensemble at CHS. Students will be expected to play at the level of Suzuki book 2 or above. Reading music will be required. Music will need to be reviewed at home and in private lessons as needed. Repertoire will be two to three pages in length and third position will be required occasionally for students playing 1st violin, cello, and bass. The String Ensemble will perform regularly at school assemblies. For more information, please contact [btyler@tchs.org](mailto:btyler@tchs.org).

### ***Club Glee! led by Eli Roberts***

Students join together to perform and memorize popular music with choreography. Club Glee is open to students from grade 2-6 regardless of musical training. Younger students are also welcome and can be accepted with approval from Mr. Roberts. The schedule will be determined by teacher and student availability.

### ***Rock Band led by Eli Roberts***

Rock Band is open to students who are interested in forming a group of rock artists! Please note that students will need to sign up as a group if they want to be a Rock Band. CHSM does not match students up for this class.
