

CHSM Overview

Lessons

Private and group lessons are offered in the following: cello, songwriting, drums, flute, guitar, piano, saxophone, viola, violin, and voice. Offerings are based on interest and/or teacher availability.

Ensembles

Ensembles at CHSM allow students the opportunity to join with their peers in the enjoyment of making music. There are four ensembles offered by CHSM: The String Troupe for Suzuki Book One students in their first year of ensemble playing; The CHS String Ensemble for advanced string players; Club Glee! an exciting vocal group that sings and learns choreography; and the Rock Band for students who want to play pop and rock music in a band. Groups meet weekly to rehearse. New members are encouraged to join at the beginning of each semester.

Workshops

Parents and children of all ages may attend these fun-filled sessions. Workshops may include, but are not limited to, Family African Drumming, Strings Petting Zoo. No experience is necessary, just a desire to learn. Look for more information on our CHSM web site throughout the year.
