

Parking in the Neighborhood

Even though drop-off and dismissal procedures are designed in order to allow families to drive through the parking circle without needing to get out of their vehicles, families sometimes prefer to walk with their children to the campus after parking on Suffolk Road.

Parking is allowed on the southbound side of Suffolk Road. **We ask that everyone be mindful of our neighbors who have asked that we not turn around in their driveways.** Since parking is only permitted on the southbound side of the street, the best way to avoid the turn-around dilemma is to access Suffolk Road from Kingsbury Road rather than from Hammond Street. If entering Suffolk Road directly from Hammond Street, drivers can also turn around at the rotary at the intersection of Kingsbury Road. Parking is also available on Kingsbury Road. Please note that the parking spots in the CHS parking lot are assigned to CHS staff, and therefore, are not available for parking during regular school hours (7:00 a.m. - 3:30 p.m.)

The School's campus is surrounded by two private roads: Essex Road and Chestnut Hill Road. Parking on these streets is not permitted under any circumstances. Neighborhood residents are fully in their rights to request towing in the event of unauthorized parking.
